

Class Attendance and Cancellations

Class Attendance

Students who have been absent from class for three hours or three sessions may be graded with an F for a course. Instructors may, however, develop individual policies regarding absences.

Absence Because of School Functions

From time to time students may be absent from classes due to fulfilling commitments in another course or activity. It is the responsibility of the student to secure permission for any absence from individual course instructors. Some instructors may not agree that being absent is necessary.

Absence Because of Religious Holy Days

Students may be absent from classes for the observance of a religious holy day, and will be allowed to take an examination or complete an assignment scheduled for that day within a reasonable time as established by the instructor.

Class Cancellations

Campus or college closures that are due to inclement weather or other unforeseen situations will be posted on this site's home page. Individual class cancellations are not posted on this website.
