

Accommodations: TSIA2

Establishing Accommodations for the TSIA2

This page is for students who are seeking accommodations for the TSIA2 placement tests.

Students who are requesting accommodations for the TSIA will not need to meet with the Access Center advisor; however, they do need to complete the intake form and release of information.

1. Student completes the Intake Form (www.lee.edu/go/disability-intake) and the Release of information (www.lee.edu/go/disability-release).
2. Student completes the TSIA Accommodation request (www.lee.edu/go/disability-tsia-accom) which allows students to request the limited accommodations for the TSIA.
3. Documentation must be provided to the Access Center. This can be attached to the Intake Form or emailed (kvillanueva@lee.edu).
4. Complete the Pre-Assessment Activity (www.lee.edu/testing/tsi/)
5. Register for the TSIA (www.lee.edu/testing/) using [RegisterBlast](#). **Be sure to select Accommodated Testing** when setting up your test date and time.
