Campus Logic Information

Once you have applied for financial aid at Lee College, your next step is to activate your Campus Logic account.

Tips

If you experience technical difficulties creating your account, please troubleshoot your account by doing the following:

- If you have trouble logging in, try to use the original password issued to you by the Admissions office.
- If you have trouble with Campus Logic accepting your information, be sure you are entering all of your information exactly as it is on your Free Application for Federal Student Aid (FAFSA).
