

Harvest of Hope Campaign

Dear Valued Faculty, Staff & Navigivers,

My heart is full as I share the incredible news: we raised \$1,180 for our Navigator Harvest of Hope campaign, surpassing our \$1,000 goal! Your overwhelming response reflects a deep understanding of our students' complex challenges.

During this holiday season, many of our students quietly struggle with basic needs that most take for granted. Beyond hunger, they face the crushing weight of impossible choices: paying for childcare or buying groceries, affording transportation to class or keeping their housing, choosing between a warm place to sleep or the books they need to succeed.

Your generosity means our students won't have to face these decisions alone. Every contribution helps ensure our students can focus on their education instead of worrying about:

- Where their next meal will come from.
- How they'll get to class without reliable transportation.
- Who will watch their children while they attend lectures.
- Whether they can maintain stable housing while pursuing a degree.

This holiday season will be brighter for many families because of you. Your support sends a powerful message to our students: they matter, their struggles are seen, and they have a community standing behind them.

With heartfelt gratitude,
Selah Tacconi
Executive Director, Lee College Foundation
