Welcome from the President

Dear Graduates, Families, and Friends,

Welcome to the 2025 Lee College Commencement Ceremony. Today, we gather to honor the remarkable achievements of our graduates and the journeys that have brought them to this meaningful milestone. It is a day filled with pride, reflection, and great promise for the future.

To our graduates, congratulations! Your persistence, resilience, and determination have carried you across the finish line. You have balanced studies with complex lives, met challenges with courage, and emerged stronger, wiser, and ready for the next chapter. Today, we celebrate not only your academic success but the strength of your spirit and the depth of your commitment.

To the families, friends, and loved ones who have supported our students every step of the way, thank you. Your encouragement and belief in their potential has made this day possible. We recognize the role you've played in each graduate's success, and we share this celebration with you.

As you cross this threshold, I encourage you to carry the lessons, values, and relationships you've built here at Lee College into the world beyond. Today is not an ending, but a beginning, one that leads to a higher quality of life, not only for you, but also for everyone who follows in your footsteps. Wherever your path leads next, know that you will always be part of the Lee College family.

Congratulations, Class of 2025. We are so proud of you.

With heartfelt admiration,

A handwritten signature in cursive script, reading "Lynda Villanueva".

We look forward to helping you pursue your dream.

Ceremonial Mace

The office of mace-bearer derives from medieval times in England when an official was taking office or opening court and needed a bodyguard. The mace, a formidable weapon, was held ready to protect the dignitary. From the sixteenth century in England and since colonial days in America, it has become a symbol of office only. The Lee College mace was designed by Tom Walton, former faculty member, and manufactured by the students of instructor Pat Wakefield at the Lee College Huntsville Center.

The Lee College Seal

The Lee College seal incorporates the year of the college's founding, 1934, with a star representing The Great State of Texas and the Latin motto, "Not without regard for the future."

Latin Honors

Latin honors designations are announced for those students who have completed 50% or more of their degree coursework at Lee College, and whose grade point averages are 3.5 or higher. The designations are:

Cum Laude "with honor" = GPA of 3.5 – 3.74

Magna Cum Laude "with great honor" = GPA of 3.75 -3.85

Summa Cum Laude "with highest honor" = GPA of 3.86 – 4.0
