Wifi Access

There are two Lee College wifi networks:

- **Lee-IWIFI** for Students, Faculty, and Staff
- **Lee-Guest** for visitors who do not have Lee College login accounts

To connect to a wireless network, please follow these instructions:

1. Connect to **Lee-IWIFI** or **Lee-Guest** on your laptop or mobile device.
2. If it doesn't happen automatically, open up a Web browser.
3. You will be directed to a login page. Please use the appropriate login credentials, and you will be connected.
