

Printing and Copying

In order to print, patrons must set up a print account using the Add Value machine located at the Reference Desk.

Printing Costs

- Black-and-white printing costs 5 cents per page.
- Color printing costs 25 cents per page.

Photocopying

- B&W photocopies cost 5 cents per page. The copy machines are located in the copy room, just to the right as you enter of the library's front doors.
- Color copies cost 25 cents per page. Color copying is also available in the copy room.

We ask that our patrons read and abide by [United States Copyright Law](#) when making copies or printing material in the library.
