Would you like a glimpse of life at Lee College in person?

Take the first step today! We are excited that you want to visit us, whether in the morning or evening.

We encourage you to call ahead to plan your visit to see what Lee College has to offer. Tours can be scheduled by completing this request form, or you can contact us at 281.425.6260. Please request a tour at least seven business days in advance, to allow our office time to communicate with departments and programs.

You will be given a walking tour of campus. We strongly recommend that you wear comfortable clothes and shoes, and that you bring a bottle of water.
