

Clinical Medical Assistant

This 184-hour program prepares Clinical Medical Assistant students to perform skills in the medical office setting. Clinical medical assistants perform routine clinical tasks to keep the offices of physicians, podiatrists, chiropractors and optometrists running smoothly. It requires 136 classroom hours and 80 hours of a clinical externship.

Students perform clinical procedures, including administering medications, assisting with minor surgery, performing an electrocardiogram, obtaining laboratory specimens for on-site testing, educating patients and maintaining clinical equipment in an ambulatory care setting. Clinical duties may include taking/recording medical histories and vital signs, explaining treatment procedures to patients, preparing patients for examination and assisting the physician during the examination.

This program will provide the necessary training and skills required to challenge the National Healthcareer Association (NHA) Certified Clinical Medical Assistant (CCMA) national examination.

Information is subject to change based on industry, facility, or institution requirements.

Estimated Tuition

Cost of program is \$2,330. Tuition must be paid in full by the first day of class.

Additional costs include an online background check (\$42, payable by student), drug screen (\$40, payable by student), compliance tracker (\$30, payable by student), textbooks, and supplies.

Steps to Application

- Submit an Application for Admission to Lee College at www.applytexas.org, and select "Cross Credit Healthcare" as the degree plan.
- Complete the FAFSA online at www.fafsa.gov

- Create a Complio account at www.lee.compliance.com to begin the Background Investigation and Drug Screen process.
- Upload all required documents to your Complio account.
- Email cchealthcare@lee.edu, notifying the department that you have completed the above steps.

Admission Requirements

ALL requirements **MUST** be completed **ONE WEEK BEFORE** the start of class, including online background check, high school diploma or GED, copy of Social Security card, state-issued ID or TDL (Names **MUST** match), and all immunization requirements.

- Online Background Investigation (\$42), Drug Screen (\$40), and Compliance Tracker (\$30) must be paid for and started by the student at <http://lee.compliance.com>. The password for the Compliance Tracker is LC2022. The results take 48-72 hours.
- High School Diploma or GED
- Copy of Social Security card AND a State-Issued ID or TDL (Names **MUST** match)
- Current BLS CPR (Basic Life Support for Healthcare Providers from American Heart Association)

Total Program Hours: 184

*Clinical days/times vary based on clinical site availability.

Check Eligibility for Licensing Exams

Students who have a felony conviction should check with the Program Manager of their program to determine if a licensing exam is required to be employed. Some examples include, but are not limited to, education, nursing, cosmetology, and technology programs. Legislative changes, specifically, HB 1508 from the 85th Texas legislative session section 53.151 (2017), require notification to applicants and enrollees regarding the consequences of a criminal conviction on eligibility for an occupational license. Students may be ineligible for an occupational license upon completion of a program due to prior convictions.
