# **History**

**Explore CatalogSearch Courses** 

History requires studying our human past through written records, oral histories, maps, photographs and other historical artifacts as a means to understand the present and to craft solutions for the future.

#### What Will I Learn?

Students will gain a basic understanding of society through the study of historical events, governing institutions, human behavior and economic development. An Associate of Arts degree in Social Science prepares graduates for entry-level roles in many industries. It also paves the way for students to pursue a Bachelor of Arts degree in a field related to Social Science at most state universities in Texas. Other skills students will acquire from this program are research, writing, critical thinking, content knowledge and comprehension, and information literacy.

### What Can I Do with This Course of Study?

An advanced degree in Social Sciences can lead to a variety of different careers, such as:

- Urban Planner
- Research Analyst
- Legal Secretary
- Securities Analyst
- Public Education

- Museum & Public History
- Higher Education
- Graduate School
- Law School
- Government Jobs
- Library Sciences
- Real Estate
- Historical Anthropology
- Data Analyst
- Demographer
- Author

#### **History UHCL Transfer Plan**

This plan includes course options for transferring into a History BA at UHCL. The plan includes less than the 60 hours required for an Associate of Arts. Students need to complete additional associate degree requirements or use reverse transfer to complete their Associate of Arts.

Foundations: These are the courses students need in order to progress in their career/college pathway, as they either provide a certificate or lay the groundwork for moving to the next set of courses.
