## **QEP stands for *Quality Enhancement Plan***

- The QEP targets first-time-in-college General Studies and Undecided majors
- The Student Success Course will aid students in career exploration, goal clarification, academic program selection, and academic planning.
- By using an electronic portfolio, students will document their progress in career exploration, goal setting, educational planning, course completion, and skill acquisition.
- Students, advisors, counselors, and faculty will work together to develop the students' abilities to navigate the college experience.
- The QEP will accelerate the time to completion, transfer, or employment.
