

Grant Development

The Lee College grants team:

- Helps faculty and staff visualize new projects and programs
- Facilitates the development of competitive proposals
- Helps ensure that projects are realistic and can be managed with current college resources

We help Lee College faculty and staff members turn dreams into projects and fundable proposals.

For assistance with faculty and staff projects, contact Roberto Regas at rregas@lee.edu or 281.425.4352.

News

New research award from the Dual Enrollment Research Fund

The [Dual Enrollment Research Fund](#) has announced that it has funded six new research projects exploring topics such as dual enrollment equity, teacher credentialing, policy, and Career Technical Education (CTE). The total award of \$1 million in research funding to support these six projects follows a national competition that received 70 applications totaling \$11 million in requests.
