

# Risk Management Institute

***Get Trained in Safety Today!***

[Register Now](#) The Risk Management Institute is a service of Lee College's Center for Workforce and Community Development, supported by the Texas Mutual Insurance Company.

We recognize that people are priceless. For this reason, safety knowledge should be free. The Risk Management Institute provides FREE seminars, workshops, and safety training on worker's health and safety for employers, employees, and the general public.

Our safety training includes a wide variety of risk management/safety topics. The safety training includes a wide variety of risk management/safety topics — from back safety, ergonomics, and fall protection, to Safety Management, Confined Spaces, HAZCOM, Drug and Alcohol Awareness, and more.
